NC Department of Commerce (NCDOC)-Division of Community Planning-Village Planning Session: David Fencl, Senior Planner with the NCDOC, facilitated the planning session with the Village Planning Board and meeting visitors to continue to discuss and evaluate the Village's current Land Use Plan and Map, and Zoning Ordinances.

Prior to the meeting, Mr. Fencl had reviewed our current Zoning Ordinances and prepared a draft Table of Permitted Uses for the Board's review and comment. He also provided Article X-Rules of Construction, Interpretation, and Definitions for review and comment.

It was noted that some zoning uses that were not included in the original version of our Zoning Ordinances created at the Village's incorporation and that are currently required by law must be integrated into a revision of our Zoning Ordinances. The Planning Board reviewed, discussed, and revised Agricultural Uses and a portion of the Commercial Uses included on the draft of the Table of Permitted Uses.

The Planning Board agreed to meet again on Thursday, January 10, 2013 at 7PM at the Community Building with the NCDOC to continue reviewing the draft Table of Permitted Uses.

Other Business: There was no Other Business to discuss.

Adjournment: The Planning Board meeting was adjourned at 8:35PM.
