**8. Carolina Thread Trail (CTT) – Railroad Crossing – Mike Riemann:** Mike Riemann conveyed that he wanted to establish his focus for the Carolina Thread Trail for the next few years. He was seeking clarification to determine if Council was still interested in a monetary commitment toward the railroad crossing at Highway 52 and Wesley Chapel Road. He reported that he has approval and a contract from Norfolk Southern Railway Company for the crossing; however, he is unsure how long the railroad will wait. Mr. Riemann wants to have the money committed for the project before signing the contract. He plans to apply for a matching grant with the Carolina Thread Trail for \$35,000 and is seeking approximately \$35,000 from the Village.

Micah Edquist moved to appropriate up to \$35,000 in matching funds for FY 20/21 for the Highway 52 and Wesley Chapel Road railroad crossing. Jeff Watson seconded the motion and it was approved 5/0.

Mike Riemann left at 6:41 pm.

**9. Review Unaudited Financial Status at 01/31/20:** Micah Edquist reported the following reconciled bank balances at 01/31/20 as follows:

General Fund	\$489,524
Powell Bill Fund	\$101,659
Carolina Thread Trail	\$ 6,372 (Grant #2) Trail Acquisition Grant (Village, Richfield & New London)

**10. Police Report – January, 2020:** Chief McGinnis reported 69 traffic stops, 63 total charges, 15 warning citations and 5 arrests. There were 9 mutual aid requests from the Stanly County Sheriff’s Office and State Highway Patrol. There were 12 citations and 8 warnings written on Highway 49. The average speed was 73mph with 80 mph being the highest and 70 mph being the lowest speed in a 55-mph zone.

**11. Capital Improvement Plan – 5 year:** Council reviewed the prioritized list from last month to determine which items should remain in the 5-year plan and which ones to include in the upcoming budget year.

Council decided that a sidewalk from the Carolina Thread Trail head to the post office was priority. This project is attainable and would encourage connectivity and recreational traffic as well as commencing the Village enhancement.

Discussions about Gladstone regarding usage and hurdles ensued. Sewer, occupancy, and structural hurdles exist and are too costly to pursue. Conversation about a self-guided museum rendered the most feasible use at this time with minimal cost.

**12. Budget Focus/Priorities FY 20/21:** Preliminary discussions include a community event along with the annual cultural and recreational sponsorships - Pfeiffer Homecoming Sponsorship and Arts Council. Gladstone discussion included installation of a water line from the tap to the back of the building, river rock around the perimeter with a few flag stone stepping stones and seasonal decorations. An awning and interior painting for the police station were discussed along with hand gun replacement for the police department.

**13. Other Business:** Anita Blair informed Council that the personnel policy update was currently being reviewed by our legal counsel. Once completed she will provide copies well in advance for Council review before the policy is presented for approval.

**14. Adjournment:** The meeting adjourned at 8:17 pm.
